

PROJECT BICYCLE LOVE

*A Christmas Bicycle
Collection and Build Event to
benefit local foster kids*

Remember the joy of receiving your first bicycle? Give a child in foster care or transitional living that gift this Christmas.

For some it will be a childhood memory they will never forget.
For others it will provide their only means of transportation.

Project Bicycle Love is collecting new bikes for foster kids of all ages.
Every bike collected will be given to a local child in need.

Donate a bike, assembled or unassembled
(Build a Bike Event Dec 5th) or make a monetary donation
towards the purchase of bikes, helmets, and supplies.

100% of donations stay in our community.

Join us and together we can make a difference in the lives
of local foster children this Christmas.

**For details and ways to be involved by donating,
volunteering, or nominating a deserving foster child,
please visit our website at
www.bicyclelove.org**
